

## Group Contract

### Participation

We agree to meet on Thursdays, give a good amount of participation in the group work, and if, for some reasons someone cannot show up for a meeting, that person has to announce beforehand.

### Communication

We agree to ensure coordination between the sub-groups within the group.

### Meetings

We agree to meet on Thursday as a group, and in the sub-groups, it will be decided individually when they want to meet.

SCRUM and UP will be discussed when the entire team meets up.

### Conduct

We agree to listen to each other, respect other's opinions, discuss the issues within the group, always update the other on what you're working on.

### Conflict

We agree to discuss and solve the conflicts that might emerge within the group, and deal with them accordingly.

### Deadlines

We agree to pre-plan and work enough in order to hand-in on time.

### Other issues

If a group member is not committed enough to the project, actions will be taken accordingly, by the other group members with the help from a supervisor.
